AREA OF INTEREST

Mobile App Development

Machine Learning

Web and Server Development

Cross-Platform Frameworks

System Programming

TECHNICAL SKILLS

React Native

Node.js

Flutter

React.js

Tensorflow

Express.js

Electron.js

SQL

NoSQL

Git

Linux

Data Structures

OOP

PROGRAMMING

JavaScript & TypeScript

Python

C++

C

Dart

Rust

EDUCATION

Computer Engineering

Istanbul Technical University

GPA: 3.30

2017 - Present

Istanbul, Turkey

- Took courses about OOP, Data Structures, Linear Algebra, Numerical Methods, Operating Systems, Analysis of Algorithms, Learning From Data, and Database Systems.

LANGUAGES

- English - Native Language
- Turkish - Native Language

HOBBIES

Playing The Guitar

Playing The Keyboard
